

Computing Unit Plan Year 3- E-Safety

Year 3 Aut 1	Concept	Subject Skill (Learning Objective)	Subject Knowledge	Pedagogical Content (how you will teach)
1	E-Safety	I can choose age appropriate games / websites. I can explain how to stay safe on the web.	I know what an age certificate is. I know what is meant by age appropriate. I know that some games/websites are aimed at older children or adults. I know that not all content is appropriate for younger children to see. I know what to do to stay safe on the web.	<p>Why do games have age certificates? How do I know the website is appropriate for me?</p> <p>Show images of age certificates. Where would you see these? What do they mean? Why are they important? Who decides which certificate a game is awarded?</p> <p>https://www.askaboutgames.com/pegi-rating/</p> <p>Explain what each certificate stands for and why it is the content which determines the certificate and not the difficulty of a game.</p> <p>Using age appropriate websites. Show the children a teenager magazine. Who is this designed for? How do you know? Would you want to read it? Why?</p> <p>How is this applicable online? Show a website aimed at 11yr olds +. Who do you think this site is aimed at? How do you know? Would this be a suitable site for you? Why?</p> <p>Produce a safety poster highlighting the safety lessons they have learned in regards to age certificates and staying safe on the Internet.</p>

Vocabulary:

Age appropriate Games Websites Chatroom Headsets certificate PEGI System
