

Amazing Animals!

Message from your teachers

We can't believe we are beginning our final Summer Term already!

As the weather begins to warm up, can you ensure that children are bringing water bottles and sun hats and have sun cream on before they come.

We will be learning this term...

Our topic for this half term is 'Amazing Animals!'. We are going to begin the half term with a focus on minibeasts and look at different life cycles. We will also be getting some real life caterpillars in school to observe the changes for ourselves. We will then be moving on to looking at animals from different countries and thinking about why certain animals are found in certain places.

In Phonics, Nursery will be starting to learn our Read Write Inc. Set 1 single letter sounds. They will be looking at different objects beginning with those sounds and also continuing to practise Fred Talk. Reception will continue to learn our Read Write Inc. Set 2 special friends (digraphs – 2 letters that make 1 sound and trigraphs - 3 letters that make 1 sound). They will also be practising to read and write captions and sentences.

In Maths, Nursery will continue to learn numbers through songs and rhymes. We will also be focussing on counting, recognising and writing numbers within 5. There will also be a focus on naming and describing some 2D shapes. Reception will begin to look at numbers within 20. We will continue to count, recognise, represent and order numbers, as well as identify 1 more and 1 less. The children are also going to practise solving addition and subtraction problems and will begin to learn how to double and halve amounts with 20.

Reminders/Important Dates

- PE is every Wednesday. Please ensure that children come dressed in Black/White kit on this day and that jewellery has been removed.
- Every night is reading night! Please ensure reading books are in school every day please.
- Eid celebrations – 28.4.23
