Term : Spring 1

Hogarth Time Lords The Blitz

Message from your teachers

Wow! A massive well done to each and every one of you and all your efforts. We are really seeing amazing learning and growth from each pupil. What a great way to start 2023 – keep up the hard work!

We will be learning this term...

We are super excited to go into History unit learning about The Blitz! You will become a historian as we travel back in time to understand major events, people and changes in time.

Our new writing scheme will allow us to become incredible authors, script writers. Our first big write being a Diary entry of a child in London in the blitz! Our history learning and book-talk lessons will in enrich your knowledge and support you in writing. We will be reading age appropriate and exciting text such as Julia Donaldson's Bombs and Blackberries to inspire us!

We start of the term with a focus on Money, looking at the value of coins and notes and answering applied problem solving and reasoning. I would encourage children to familiarise themselves with handling and recognising coins where possible.

We will also be learning computer programming and apply our Design and Technology learning to DIY Air raid shelter structures models.

Mastery Carousel is proving successful to help us become 21st century learners!. We will practise skills such as collaboration, imagination, critical thinking and effective written communication. This will continue on Fridays during the new term.

Reminders/Important Dates

- PE is every Wednesday. Please ensure that children come dressed in Black/White kit on this day and that jewellery have been removed.
- Homework is sent out every Friday, please make it is completed and returned by the following Wednesday .
- Please make sure your child is reading every day, we aim to check diaries every Friday but children need their books and diaries every day
