

# Year Three Newsletter

Term : Summer 1

## Summer 1

## Message from your teachers

We hope you all had a restful and relaxing Easter Break; ready for the term ahead! We would like to take this opportunity to thank you for all the hard work that the children and their grown-ups have put in last term. In Summer 1, we will be looking at Nottingham. In the newsletter you will find information to support your child's learning.

## We will be learning this term...

Our topic for this half term is 'We are NG3'. Our focus text will be 'The Tunnel'. In English, we will continue our unit of work by developing our knowledge of the Year 3 writing objectives. Specifically, we will be looking at writing a mystery story and a non-fiction report. In Maths, we will be looking at money and time. We will look at continuing our work on multiples of 2, 3, 4, 5, 10 and 8s using various methods to multiply and divide. In Art we will be looking at printing a Still Life. In History, our topic is all about Nottingham. We will be going on a trip to the Nottingham Caves to understand how they have been used over time. In Science, we will continue to look at forces and magnets. Finally, in DT we will be looking at mechanisms. We will now have a spelling test every Friday.

Spellings will be sent home with the homework every Friday for the following week.

## Reminders/Important Dates
