Wintery Weather

Wintery weather is more imminent than ever on the forecasts for the next few weeks, please make sure you have access to our Class Dojo App to get the latest updates from school. We will notify you if school is closed if there is significant snowfall over night and where schoolwork can be found for the day via remote learning. We will not close if it starts to snow during the day but will update parents if early collection is being advised because of the state of the roads and access to school. We always assess the weather before breaks and lunchtimes during the winter months to ensure all our children are safe. Please also make sure your child comes dressed appropriately for being outside at breaks at this time of year and ensure all items of clothing are named!

SEND Parent Meetings

Our SEND leader, Mr Stewart is offering meetings with parents to discuss their child's educational needs every other week starting on Monday 15th January 9-10am. If you are worried about your child's progress, if they have special educational needs, if you need advice about your child's additional needs these sessions are to help and support our families. Please call the office to book an appointment.

Learning Newsletters

The spring term newsletters will be up on the website next week – please take a look at what we are focusing on across the school.
