

Year One Newsletter

Term : Autumn 1

Welcome to Year 1!

Message from your teachers

Hello and welcome to year one!

My name is Miss Brown, and I am thrilled to be your teacher at Hogarth. We are really looking forward to settling into a new academic year and we're really excited about the fun, creative and wonderful year we have ahead. I can't wait to tell you all about it!

We will be learning this term...

During half term in CSI art, we will be learning about self-portraits in the style of Gary Hume. We will be learning about different facial expressions and what they might portray, and we will spend time learning about primary colours.

In Science, we will be learning to sort living and non-living things.

For History, we have a very exciting term ahead! We will start the day as astronauts, and we'll be building our own rockets! We might even be flying them! We will be learning to create a timeline, how to recognise the difference between past and present in our own lives as well as that of others.

I can't wait to listen to all the interesting questions. As teachers, digging deeper to ensure all year one's brains are constantly ticking is one of our main aims.

Reminders/Important Dates

Please bring your reading diaries to school every day. You should read at least 3 times a week at home. This needs to be signed for, by an adult.

P.E. is every **Tuesday**. Please come in P.E. kits for the day and ensure all jewellery is removed. All clothes should be labelled with your child's name.

Homework and spellings will be set and sent home every Friday. Homework is due on a Wednesday and our spelling test is every Friday. Don't worry, this won't be too hard to begin with, but we will gradually make it a bit trickier during the year.
