Head Teacher Message

Welcome back , today I have been at Hogarth for exactly two years ! Time flies when you are busy and working in such a good school !

Its going to be a busy half term of just five weeks until Easter there is a lot to do !

We have a lot planned and if you haven't signed up to Marvellous ME , can I ask that you get a code for the app as quickly as possible ? We are able to share information with you quickly and directly reminding you of events or any changes in events. This is particularly pertinent in view of the weather that is due to change and we will be able to let you know if school is closed if we have really bad snowfall over night and have to close the school.

Parents Evening

Thank you !

It was great to see so many of you at parents evening this week and we hope you were pleased with how well your children are progressing under the guidance of our great teachers.. If you did not make your appointment and would like to book in , please ring the school office and we will do our best to accommodate your request for a meeting.

Tuesday is Pancake Day – please ensure your child is booked in for a school dinner if they want some of Mrs. Picker’s super pancakes !

World Book Day

Thursday next week is World Book Day. We would like your child to come dressed as their favourite story book character! Please remember that they will still need to be able to run around at playtime so bring a spare pair of shoes if the costumes footwear is not weather proof ! There will be a competition for the most inventive costume and I know we have some very creative parents out there so I am sure it will be a tough call for Mrs. Picker the school cook to judge !

Ms Sarah Lee

Dates for your Diary

Date	Event
1 st March	SCI FRI day ! Science Friday We hope you enjoyed the visit !

Attendance !

Letters will be coming out to parents this week where attendance has dropped or continues to be below 95%. We are continuing to work hard to improve the attendance of all our pupils . Thank you for your positive responses to attendance letters and letting us know why your child is off of school. We NEED attendance to stay around the 96% mark overall . Well done to Year Two and Year Six this week !

Overall No EYFS	95.66%	0.4%	3.66%	0.67%	8.52%

**School Council Fundraiser
next week
Bring 50 p to come along to
our disco in school time
Thursday 7th March**

Advance NOTICE !

As you will remember , as part of our creative super investigator work in the summer term , the children learn about various aspects of the seaside and or coast and we then go and visit the seaside to learn more ! All classes , with the exception of Nursery, will be going to the seaside at Mablethorpe for the day on **Tuesday 16th July**. There will be a letter to follow about the cost of the trip and details. We will endeavour to organise that all children that want to have the opportunity to have an ice cream and a donkey ride on the day . The school council will be fundraising the £600.00 for over the next few weeks. We had a great day last time and I am sure it will be even better this year !

Year five STEM day

Well done to our year five pupils who represented Hogarth superbly at the LEAD STEM day. The children participated in a number of science, technology ,engineering and mathematics activities ! They came back talking all about their learning and I know the team leading the event commented upon how polite and well behaved the children from Hogarth were!

STILL MISSING ! Lost Trainers !

Trainers similar to these (without the white sole) were brought into school by a child in Y4 on the first week back and have not been seen since ! Please can you check at home that they have not inadvertently come home in your child's school bag . Many thanks .

Wintery Weather !!

**In the event of snow overnight, we will inform parents via text , Marvellous Me and the school website if school is open before 7.45am. Please ensure your mobile details are up to date on our system.
If wintery weather starts during the school day , we will remain open.**

Research project for Nottingham University

Our Year 4 and year 5 children have been chosen to be part of a research project for Nottingham University. We will be asking your permission before any researcher comes into school. The premise is researching how well children read text when reading on a screen compared to reading a book. A more detailed letter and permission slip will follow.

Summer Fair Volunteers Required !

We will be planning our summer fair for Friday July 5th this year 3.30 -4.30pm. This event takes a lot of planning before the event to get good prizes and donations etc. .If you have some free time to help please speak to Sarah Townend in the office. Thank you

Gardening Club for children and parents 3.00- 3.30pm Tuesdays

We would like to utilise the grounds more around the school and at the back of the car park we have a derelict allotment patch we would like to try and rejuvenate and grow some vegetables with the children. If you would be interested in coming along every Tuesday afternoon to work on the plot with your child , please let Mrs Lee know asap . Thank you.

Earrings and PE !

Earrings should be studs only and be able to be removed by your child so that they can do PE .Children are not allowed to have tape over their earrings anymore in any year group , so please ensure your child can remove their earrings or do not send them in their earrings on PE days, thank you .
