AUTUMN TERM Dates for your Diary

Head Teacher Message

Welcome back to the autumn term, lots to do !

Following on from your feedback at parents evening last term, we are sending everyone home a book mark to help you to support your child reading at home.

The book mark provides you with a variety of types of question based on our Pawsome Gang that the children use during their reading and book talk lessons, they will be able to tell you all about Retrieval Rex or Summarising Sheba .

We hope this information will help you to talk to your child about the book they are reading in more detail and help your child talk about the text in more detail, as well as reading for pleasure!

Anti Bullying Week.

Next week is antibullying week and we will be specifically focusing our learning around this important area for all our children .As part of the national campaign , Tuesday 12th November children are welcome to come to school in odd socks . It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique! Children do not need to bring any money into school on this day this year. You may want to have a look at the resources available on line ...

again this year

Tuesday 12th November

SafeToNet

BBC Children in Need Day

There is a lot going on this week with trips and national remembrance day as well as Children in Need .We will be participating in this great fun fundraiser next week. We would simply ask children come dressed in something YELLOW or SPOTTY for the day and bring 50p per family to donate to this super fundraising cause. Thank you in advance , we always raise a good amount!

Remembrance Day

Never forget,
Always remember.

Poppy Appeal

The office has Poppy Appeal merchandise on sale in readiness for remembrance day next week .

Get Caught Reading

We are still working to improve children's attendance at Hogarth. This weeks class champions are

Year Three and Four with
96%

Year One with **95%**

Well done to those children and parents

Thank you to those that have sent one in already !
Please send in your photos of your child reading somewhere different , I am sure we can get more!

Parent Questionnaire Your View Count !

Along with this newsletter you will have received our annual parents survey. We want to make sure we are doing our best and working in partnership with our families. Please complete the questionnaire and return by **FRIDAY 16th NOVEMBER.**

Sadly we still have parents parking at the school entrance !

There are double yellow lines on the road at the entrance to school for a reason – please do not park on these to drop your child off or collect. It makes the road use dangerous for other drivers and pedestrians. Thank you for your cooperation in this matter.

No nuts please !

Please do not put any nut products in your child's lunch box .We have children in school with a severe allergy to nuts and even coming into contact with a child who has touched or eaten nuts can bring about an allergic reaction that may cause them to stop breathing. Thank you for your cooperation in advance .
