Head Teacher Message

School closes for half term today and reopens on Monday 25th February .

Along with this newsletter, you will receive a copy of the Ofsted report that is now written in the format of a letter. I hope you will talk this through with your child as they really impressed the Inspector with their behaviour both around the school and their behaviour for learning as well as their neat work in their books in every class !

As the Headteacher of Hogarth Academy, I am very proud and pleased with the content of the letter. It confirms that we have continued to build from being a good school to now being a very good school, ensuring our pupils get the best relevant and meaningful education possible and enjoy their learning every day!

Our vision is to ensure we stand out and become a school that delivers outstanding learning for all our pupils day in day out by making sure our pupils achieve better than those locally and nationally to ensure they have the best life chances moving on to secondary school and beyond. We are very nearly there in Ofsted's view and just need to embed what we are currently doing over the next year.

The report mentions how hard the staff team here work and the support from the parents , governors and community.Thank you everyone, well done #Team Hogarth!
