Head Teacher Message

Dear Parents and Carers,
Corona Virus

We take daily advice from the department of health. I will let you know as soon as possible via the Marvellous Me App and letter and website if there is any further update directly from the government or locally from our trust that may change the status quo. However until then your child needs to be in school every day on time! Thank you

Parent Questionnaire

Along with this newsletter you will receive a copy of our annual parents questionnaire. We are always looking to improve what we do and how we do it, so please ensure your complete it and return it to school before the closing date of **20th March 2020**. You will notice the letters against some of the questions this time, this is so that we can see how strong we are in the values of the trust and which ones we need to work on.

Lead: to show the way; to be first or foremost

In every aspect of life the ability to lead is essential. Strong leadership is the key to the success of our schools. We will develop leadership skills in everyone who attends one of them, ensuring the development of pupils as leaders of their own learning.

Empower: to give power to; to enable

At L.E.A.D. Academy schools, pupils are empowered to have high aspirations for their futures. We nurture and challenge pupils to take responsibility, make decisions and work together so they grow into confident and resilient young people.

Achieve: to accomplish; to get or attain by effort

We believe in achievement in its broadest sense and that enjoyment of learning is crucial to success. We continually look for and reward achievement in every individual in our schools. We also know that a strong command of English and maths is vital as a foundation for the whole curriculum and prioritise learning in these core subjects.

Drive: to cause and guide progress; to impel forward

We will provide the very best education and training for every individual in our schools and will ensure that this is delivered. We value excellent teaching, underpinned by high quality professional development and will constantly move forwards, using and instigating the best ideas and practice.

Wintery Weather !

Please ensure you have the MarvellousMe App, as this will be the primary message service in the event of school closure if it snows overnight

Thank you
Ms. Sarah Lee

A slip home for children in Year Five and Six accompanies this newsletter to ensure collection/ walk home lists.

Time Travel Day – Friday 20th March 2020

As part of their CSI learning , the children have all been learning about an era in history. On Friday 20th March the classes are going to travel back in time to visit each others time periods, learning more history facts and developing their history skills.

We would love the children to come to school that day dressed in the era they have been studying, bearing in mind they also will need to go out to play in March ! Please see the time periods below for each year group

Year One – Queen Elizabeth 2 – any item of dress from 1950s onwards

Year Two - World War 2

Year Three – Stone Age to Iron Age

Year Four – The Romans

Year Five – Crime and Punishment over the ages

Ask your child about the type of clothing worn by people during this time !

Reception and Year Six will need to come in uniform on this day
