Year F1 Nursery

Dear Parents/Carers & Nursery

I hope you are all well and safe; it was lovely to speak to some of you last week. Here is the 5th weekly newsletter. This week we will diverge from bugs as I thought we could think about Rubbish and Recycling. Can you spot different work vehicles? What do they do? Find out about different jobs

<https://learnenglishkids.britishcouncil.org/category/topics/jobs>

<https://learnenglishkids.britishcouncil.org/games/job-mixer> What would you like to be? Why? Draw a picture. <https://watchandlearn.scholastic.com/videos/earth-and-space/conservation/what-happens-to-our-trash.html> Can you answer these questions? Where does rubbish go? What would happen if we didn't put rubbish in the bin? What can we do to stop waste going to landfill? Make your own composter

Draw some pictures or take some photographs and send me some on
