Newsletter 24th September 2020

Dear Parents.

Suddenly its nearly the end of September and you are doing a great job! The start of term is always busy and the children are readily enjoying the staggered start, breaks and lunchtimes as well as the catch up learning sessions that are being undertaken after school in some year groups. Thank you for your compliance with the end of school routine to keep everyone safe too.

Nut Free Zone

A polite reminder that school is a nut free zone, we have several children and staff with a severe nut allergy that should they come into contact with nuts, they need to use an EpiPen or get to hospital as soon as possible. Please check your child's lunchbox carefully, the main culprit is chocolate spread made with hazelnuts and chocolate filled snack treats that are nut based.

Homework Reminder

Every night is reading night, please ensure your child reads every night and you complete the reading record. Older children can complete their own and you can just sign off to say they have read. Children in Y1 upwards receive their homework on a Friday and it needs to be in on the following Wednesday. Spellings are tested every Friday. Children get the following homework, every week....

English – reading every night, spellings to learn, some classes may get extra reading comprehension or grammar work to complete

Maths – children must rehearse their times tables in their times table books (Y3 and Y4) maths homework will be linked to what they are learning in class

Let's get ahead – this is linked to our CSI learning. Ask your child what CSI stands for at Hogarth!

Individual School Photos

Miro, our school photographer will be in school on **Wednesday 11th November 2020** to take individual class photos. We apologise in advance that no sibling groups will be able to be taken this year.

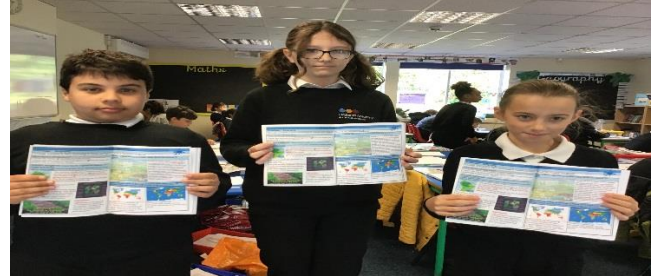

Mrs Beeson is retiring

Mrs Beeson has worked at this school for a number of years and has supported many children to achieve their best whilst at Hogarth Academy. She has decided to retire from her role here to enjoy more time at home with her husband. She will finish on the 15th October 2020. On behalf of everyone here at school, we wish her a long, happy and healthy retirement and very best wishes for the future!

We are looking smart in our new colour logo sweatshirts and cardigans !

We are really enjoying our CSI learning this term – ask your child what they have been learning about in CSI !
Ask them too about their Crucial Sticky Information sheets !

Breakfast Club

Are you a working parent? Do you need childcare before the start of school? We have some places available within our breakfast club. Please ring and speak with Mrs Robinson in the office if you would like to book your child in every day from 7.45am. The cost is just £10.00 a week for breakfast and childcare.

Parents Evening

We would usually host parents evening after the October half term but given the current restrictions this will not be possible , however , we think it would be really helpful if we can set up an opportunity for **one** parent to meet with the class teacher briefly to talk about how their child has settled in. The meeting will take place in the conservatory near the main reception. We will not be able to share children’s books with you, but we can assure you how well they are doing and how you can continue to help at home. So, we are arranging for one evening per class for you to meet the teacher. A sign-up slip for you to return to book your time slot can be found below, we will do our best to accommodate your request. Please note also, there will be NO catch-up learning on the day that there is parents evening for your child’s class .
