

17th December 2020

Final Newsletter of 2020

What a Year!

When we started the year in January, who would have foreseen the year panning out as it did. Thanks to the superb community we have here , we have done our very best to ensure our children are safe and accessing their learning with a smile .We could not have done this without you , so thank you Hogarth families, you are amazing !

We have done it! We have got to the end of term without having to close a bubble! Well done

It has been a very different end of term but we have sung carols, worn our festive jumpers, and made baubles, cards and calendars. We have eaten our superb Christmas dinner cooked by our own Mrs Picker, thank you. We have had a Christmas Party and played games and eaten too many sweets! A normal Christmas then, albeit socially distanced with plenty of handwashing between it all. We were determined to have a memorable end of term and I think we have achieved that.

Thank you so much for your kind words you have sent in for the staff and gifts, they are all very much appreciated by the teams.

Today we say goodbye to Miss Campbell and wish her all the best in her new role.

Nursery will be opening week beginning 11th January 2021 and all places are taken

On behalf of everyone here at Hogarth Academy, may I wish you and your families a happy, peaceful and safe Christmastide. Take care of your loved ones, as life is precious and we will see you all energised and ready for the spring term on **MONDAY 4th JANUARY 2021** at the same start times we have had this term.

Festive wishes

Sarah Lee

Headteacher
