Meeting the National Curriculum requirements for swimming and water safety

At Hogarth, we recognise the importance of children learning to swim and to be able to perform safe self-rescue at an early age. From our evaluation of our swimming provision, we decided to provide an intensive block swimming lessons in the summer term for Year Three, thus securing a key life skill early within the key stage 2 curriculum for all our pupils.

We aim to continue to provide intensive swimming coaching for Year 3, so that children will have greater long term success at learning to swim compared to having short sessions over a couple of years.

We will evaluate the impact of the new strategy for swimming provision annually.

Data for current Year Six 2020/21 based on their assessment at the end of their swimming tuition.

What percentage of your current Year Six cohort - swim competently, confidently and proficiently over a distance of at least 25 metres?	80%
What percentage of your current Year Six cohort use a range of strokes effectively?	80%
What percentage of your current Year Six cohort perform safe self-rescue in different water based situations? (Shallow and deep end pool)	100%
Schools can use the Primary PE and Sports Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements.	Hogarth have not used the Sports Premium monies to support additional swimming catch up 2020/21
