

Newsletter ~ Friday 14th May 2021

Eid Mubarak to all our families celebrating this weekend.

Every Night is a Reading Night.

Please make sure your child reads at home every night and completes their reading diary. This then must come back in to school every day so the teacher can check and support your child's reading development in school. Reading is a key life skill and can bring so much pleasure too. We have some fabulous new books in school for them to choose to read and we hope to be able to reopen the library very soon too.

Staggered Start and Finish Times

I have had a few questions from parents about how long the staggered start and finish times will continue for. The current government guidance for schools, despite external measures easing, is that we remain in bubbles and staggered start and finish times. It is likely these will remain in place until 21st June or possibly the end of the summer term. If anything changes, we will of course let you know, with plenty of notice.

Catch UP Learning – this will be reviewed at half term.

Water Bottles – please ensure your child has their own water bottle, named for the start of next term with **water ONLY in it!** Not squash or flavoured water. A hydrated brain is a healthy brain.

Class Photos – our photographer will be in school in the next few weeks to take a class photo, we will MarvellousMe a message to you when they are on the website for you to view and then order via the office.

Summer Uniform

As we head towards the summer, boys are welcome to wear short trousers and girls can wear blue and white checked summer dresses. Please ensure any uniform is named! Black shoes only please.

PyjamaRama Day

We will host the pyjamarama day later in the summer term, watch this space for more details

NSPCC Number Day

A huge thank you to everyone for participating in the numbers day last Friday, there are some photos on the website, please have a look. We also raised £97.51 for the fantastic charity the NSPCC. There is some fabulous work going on in mathematics in class at the moment and we hope you will be able to come into school soon and see your child's work.

Annual Reports and Parents Evening

We will be sending out your child's annual report at the beginning of July. We are also looking at software to enable us to set up parents evening conversations remotely via video link following the issue of your child's report! Watch this space for further information.

Spare Uniform – if you have any uniform your child has grown out of and would be happy to donate to our spare clothes box, please send it into school in a plastic bag marked , "spare clothing "

Thank you
S.Lee
